Visit our website at www.mountainbrookbaseball.ch2v.com

Welcome to the 2018 MB Spartans Youth Baseball Camp.

The emphasis of our camps is to teach the fundamentals of baseball in the local area in an effort to maintain and build upon the rich baseball tradition in the Mountain Brook area. Our primary goal is to provide quality instruction at affordable prices to make the camp experience available to as many kids as possible.

In all camps, students will participate in highly structured drills designed to challenge them mentally and physically. We emphasize work ethic, hustle and technique much more than physical ability. It is our belief that hard work and dedication are the foundation for success in athletics and life. Our camps are designed not only to provide a tremendous baseball experience, but also to help young men develop into successful individuals.
